EXTENSIONS

L&E (LOFTS AND EXTENSIONS)

The Old Office Block,
16 Elmtree Rd,
Teddington TW11 8ST
T: 0800 326 5509
E: info@dontmove-extend.com
W: www.dontmove-extend.com

L&E provides a complete service to guide clients through every step of the building process from initial consultation and architectural design services through to project management and building services.

With over ten years' experience and hundreds of satisfied clients, L&E is the perfect choice to help clients create that valuable extra space. Whether it's a loft conversion, extension, internal reconfiguration or a refurbishment, L&E's team of surveyors, designers and engineers will help clients design the home of their dreams, while the build teams provide the skills to make it reality.

'You love where you live, so don't move – extend!'

GENERAL BUILDERS

BROSELEY

22 Daisy Lane,
London SW6 3DD
T: 020 7186 0060
E: info@broseleylondon.com
W: www.broseleylondon.com

A family-owned business founded in 1973, Broseley specialises in the building and refurbishment of residential properties for private clients, principally within the Royal Borough of Kensington and Chelsea, as well as Knightsbridge and Mayfair.

Broseley provides

planning, design, and project management services to an exceptionally high standard and employs quantity surveyors and researchers, specialist craftsmen, technicians, joiners, cabinet-makers and decorators.

Projects include complete renovations in historical and modern homes with both period and contemporary interiors. Broseley is recognised by many top architects and interior designers as their first choice for execution, professionalism and discretion.

CORDLES THE BUILDING SPECIALISTS

Cordles-The-Building-Specialists
[@build_cordles](https://twitter.com/build_cordles)

Cordles The Building Specialists has been trading successfully in Central London and the country for the past 30 years. They have an excellent understanding of the business, having managed complete building projects up to £10,000,000. With their own joinery workshop, skilled craftsmen and paint technicians they create bespoke furniture

pieces specific to the client's design and innovation.

Rupert Cordle, Managing Director, enjoys a hands-on approach and offers an exceptionally personal service to his clients, with site managers and project administrators allocated to every job.

Their clients include architects, interior decorators and private individuals.

GOOD LONDON BUILDERS

48 Fontarabia Road,
London SW11 5PF
